FORM-III

(See rule 10)

(Authorisation for operating a Health Care Facility for [Generation, Segregation, Storage, Disposal or destruction use] of bio-medical wastes)

Application No :	441378	Dated :	27/12/2024
Issue Date :	27/12/2024	Valid Date :	31/12/2027

1. Renewal of authorisation is accorded to M/s. EAST COAST HOSPITALS No.1, Perambai Road, Paris Nagar, Moolakulam, Puducherry., Puducherry, Puducherry for [Generation, Segregation, Storage, Disposal or destruction use] of Bio-Medical waste as per the capacity given below:

No. of Beds: 120

Category of waste	Name of the waste	Quantity (kg/day)
Yellow	a) Human Anatomical Waste	10
	b) Animal Waste	0
	c) Soiled Waste	0.5
	d) Expired or Discarded Medicines	0
	e) Chemical Solid Waste	0.8
	f) Chemical Liquid Waste	0.5
	g) Discarded linen, mattresses, beddings contaminated with blood or body fluid	0
	h) Microbiology, Biotechnology and other clinical laboratory waste	0.5
Red	Contaminated waste (Recyclable)	5
White (Translucent)	Waste sharps including Metals	2
Blue	Glassware	1
	Metallic Body Implants	0
Total		19.800

2. This authorization is valid upto: 31/12/2027

Blue	Glassware	1
	Metallic Body Implants	0
Total		19.800

2. This authorization is valid upto: 31/12/2027

PRINCIPAL

COLLEGE OF NURSING

EAST COAST INSTITUTE OF MEDICAL SCIENCES

A Unit of East Coast Hospital
Puducherry.

3. This authorisation is subject to the conditions stated below and to such other conditions as may be specified in the rules for the time being in force under the Environment (Protection) Act, 1986
 - a. Bio-Medical waste shall not be stored in the premises beyond 48 hours as per Rule 8(7).
 - b. Registration shall be obtained from the Directorate of Health and Family Welfare Services, Puducherry.
 - c. The authorised person shall submit an Annual Report to the prescribed authority in Form-IV by 30th June every year.
 - d. The authorised person shall submit Report on Accident, if any, to the prescribed authority in Form-I.
 - e. (i) The Bio-Medical waste should be collected in different coloured non chlorinated bags as per the Schedule-I.
(ii) The Label for Bio-Medical Waste container / Bags should be maintained as per Schedule-III
 - f. Pre-treat the laboratory waste, microbiological waste, blood samples and blood bags through disinfection or sterilisation on-site in the manner as prescribed by the World Health Organisation (WHO) or National AIDs Control Organisation (NACO) guidelines and then sent to the Common Bio-medical Waste Treatment Facility for final disposal.
 - g. Provide training to all its health care workers and others, involved in handling of bio medical waste at the time of induction and thereafter at least once every year and the details of training programmes conducted, number of personnel trained and number of personnel not undergone any training shall be provided in the Annual Report;
 - h. Immunise all its health care workers and others, involved in handling of bio-medical waste for protection against diseases.
 - i. Ensure segregation of liquid chemical waste at source and ensure pre-treatment or neutralisation prior to mixing with other effluent generated from health care facilities;
 - j. Ensure treatment and disposal of liquid waste in accordance with the Water (Prevention and Control of Pollution) Act, 1974 (6 of 1974);
 - k. Conduct health check up at the time of induction and at least once in a year for all its health care workers and others involved in handling of bio- medical waste and maintain the records for the same;
 - l. Maintain and update on day to day basis the bio-medical waste management register and display the monthly record on its website according to the bio-medical waste generated in terms of category and colour coding as specified in Schedule I;
 - m. As per Rule 4(i) of BMWM Rules, 2016, the health care facility must provide a Bar-Code System for Bags.
4. Inform the Prescribed Authority immediately in case CBMWTF does not collect the bio-medical waste within the intended time or as per the agreed time;
5. Establish a system to review and monitor the activities related to bio-medical waste management.

Terms and conditions of authorisation

1. The authorisation shall comply with the provisions of the Bio-medical Waste Management Rules, 2016.
2. The authorisation or its renewal shall be produced for inspection at the request of an officer authorised by the prescribed authority.

EAST COAST INSTITUTE OF MEDICAL SCIENCES
 A Unit of East Coast Hospital
 Puducherry

PRINCIPAL
 COLLEGE OF NURSING
 EAST COAST INSTITUTE OF MEDICAL SCIENCES
 A Unit of East Coast Hospital
 Puducherry.

3. The person authorized shall not rent, lend, sell, transfer or otherwise transport the biomedical wastes without obtaining prior permission of the prescribed authority.
4. Any unauthorised change in personnel, equipment or working conditions as mentioned in the application by the person authorised shall constitute a breach of his authorisation.
5. It is the duty of the authorised person to take prior permission of the PPCC to close down the facility and such other terms and conditions may be stipulated by the prescribed authority.
6. Solar Water Heater shall be installed in a phased manner within one year.
7. Install Rain Water Harvesting structures to recharge Ground water.
8. Switching over to Energy Efficient lightings and Solar Energy for the heating requirements may be explored.

Specific conditions:

1. The HCF shall segregate the Bio-medical waste as per Bio-Medical waste Management Rules, 2016.
2. Proper records shall be maintained for Bio-Medical waste generation
3. Annual report in Form-IV and Accident report in Form-I shall be submitted to PPCC on 30th June of every year.
4. If any violation observed Environment Compensation (EC) will be imposed.
